Get Instant Work as a Preferred Vendor

Do you want to step into an industry that brings in over \$105 billion annually? JDI Handyman Services is your answer!

JDI Handyman Services delivers a unique differentiation in the home services franchise market—our franchise model gives you direct access to more clients as a preferred vendor for Home Depot and Lowes. For our franchisees, this means more work, instant cash flow, and less advertising dollars. In an otherwise fragmented industry, our team has structured a proven model that caters to entrepreneurs just like you. We have all things like payment systems, service procedures, providing estimates, troubleshooting issues, and customer acquisition figured out so you don't have to.

Our company first launched in the 90's and has continued to expand based on the incredible demand for dependable property maintenance and handyman services like ours. When you step into a JDI Handyman Services franchise, you are stepping into a proven service-based model based on integrity, quality workmanship, and customer satisfaction. The best part? You can get started in this billion dollar industry for around \$80K, complete with support, branding, vendor relationships, and connections with the two top home improvement companies in the nation!

Are you ready to earn strong returns in a profitable industry? Would you like to own an exclusive territory in a concept applicable anywhere in the US? Get on board with JDI Handyman Services today!

Get Your Hands on this Handyman Franchise

JDI Handyman Services gives you an exciting, flexible lifestyle where no two days are ever alike! We can help you build your client base, your staff, and your credibility in your local market fast.

- ★ **INSTANT CASH FLOW:** There's no better customer source than the two top home improvement retailers in the nation—Home Depot and Lowes. Set up your status as a preferred vendor with our proven methods. Around 80% of your work can come straight from these stores!
- ★ **MULTIPLE REVENUE STREAMS:** Reach more customers and expand your income through multiple service offerings. Everything from drywall installation to minor electrical repairs can be offered as a JDI Handyman Services franchise. We are different from most other handyman concepts as we offer renovation services, too!
- ★ **PROFITABLE MODEL:** When you choose JDI Handyman Services as your business, you're choosing a highly profitable model. Not only does our multifaceted service list give you plenty of opportunity to earn income from the same customers, recurring monthly revenue can be yours, too, through our property management services!
- ★ **PROVEN OPERATIONAL SYSTEMS:** Easily scale your business as your time and resources allow thanks to our easy to follow operational procedures. We've done the guesswork for you, leading you in best practices for our industry and guiding you along an operational roadmap that keeps business running smoothly.
- ★ **INCREDIBLE BRAND REPUTATION:** Our team understands what a customer needs and takes pride to ensure that each project is not only done correctly, but will help a customer get the most out of their dollar in the process. In this business, building trust is what matters — we give you a brand name that people trust!
